ABOUT US

In the hospitality industry, comfort makes a lasting impression, and with our commitment to quality, and attention to detail - comfort is woven into every thread. As a leading global textiles producer, we offer versatile product assortments that meet any budget or design need.

Our expertise in four key areas supports our design-to-delivery approach - allowing unmatched product and process solutions for our customers.

STRATEGIC MANUFACTURING

Our global presence gives us the flexibility to provide the best quality, supply assurance and pricing - adapting quickly to market changes and meeting the highest industry standards.

DESIGN & ENGINEERING

To ensure satisfaction and the highest quality textiles, we tailor each hospitality programme using cutting-edge design and engineering aimed at comfort, durability and value.

QUALITY CONTROL

Using in-house and third party independent testing, we continue to surpass our customers' quality expectations with stringent vendor qualification and quality assurance standards.

SUSTAINABILITY & SOCIAL RESPONSIBILITY

Every day we make choices to shrink our ecological footprint. From sourcing recycled materials to partnering with organisations that restrict the use of harmful chemicals, we're committed to doing our part for the environment.
